Replace the present text with the following:

168. In keeping with its civilized view of the future of mankind as a whole and its firm belief in the noble aim of safeguarding human dignity, rights and freedoms, Egypt has promptly acceded to most of the international declarations and instruments in this regard. It has also played an effective role in the adoption of the African Charter on Human and People's Rights and of the Cairo Declaration on Human Rights in Islam as well as in the current preparation for the adoption of the Arab Charter of Human Rights.
